

Acorn Branding and Marketing

Environmental Policy

Updated 09/08/2022

At Acorn Branding and Marketing, we take pride in delivering a quality service, and in adding value to the local community and the wider environment. As such we are committed to proactively managing our environmental and sustainable development impacts. We abide by all relevant legislation and codes of practice and are committed to pollution prevention and the continual improvement of our environmental impacts.

Our Aims

- Prevent Waste and Pollution: We aim to recycle all paper and packaging responsibly
- Efficient Transport: We aim to reduce the need for travel by offering online meetings and services
- Branding and Marketing: We aim to regularly communicate our good practice in order to get positive results

We will regularly review our progress and take remedial action in the event of us falling short of our aims & objectives. This document is a living policy, reviewed annually, and we welcome the input and comments of customers, suppliers and employees.
